STIERS wrectheydt gepleeght aen meester ende vrou, en wonderlijck bestiert tot verlossingh hunnes kindts, geschiet tot Sardam, 1647. fol. *Amsterdam*, 1647.

Three copper-plate engravings representing the assault by a bull upon a peasant and his pregnant wife. The woman has been tossed into the air and the child has dropped from the ripped-up abdomen to the ground. The parents died of their injuries, but the child survived. The third plate represents the dressing of their wounds.
